The use of the Ecosystem will assist registered shareholders of the Company (**Shareholders**) and other persons (who qualify as Eligible Buyers in accordance with section 3.2 below) (**Eligible Buyer**) who wish to buy and/or sell Shares as determined by the Board of Directors the Company (**Board**).
- 1.3 Offers to sell and buy Shares will be matched by PrimaryMarkets through the Ecosystem. The process by which Shares transact are described in these Share Trading Rules. Settlement of the payment for the sale and purchase of Shares must, be undertaken via the service provided by PrimaryMarkets (**PrimaryMarkets Escrow Services**). All monies will be held by Perpetual Corporate Trust a division of Perpetual Trustees Australia Limited (**Custodian**) in an account held with either ANZ or Westpac (**Escrow Services**).
- 1.4 PrimaryMarkets will charge a fee (the amount of which will be agreed between PrimaryMarkets and the Company) to Sellers and Buyers who agree on a matched transaction through the Ecosystem in amounts or percentages as notified to them by PrimaryMarkets. The fees payable by a Seller will be deducted from the funds otherwise due to a Seller who transacts through the Ecosystem.
- 1.5 Notwithstanding anything contained herein to the contrary, these Trading Rules supersede the provisions of both the Buyer Member Agreement and Seller Member Agreement as described and contained on the PrimaryMarkets website ([www.primarymarkets.com](http://www.primarymarkets.com)) and in the event of any inconsistency then the provisions of these Trading Rules shall prevail.
- 1.6 The Share Trading Rules and the PrimaryMarkets Ecosystem are not a financial market nor a securities exchange. Please read this document carefully, particularly the disclaimers in section 7 below.

## 2. Management

- 2.1 The Share Trading Rules are administered at all times by the Company and may be amended from time to time by the Company.
- 2.2 The Company has appointed PrimaryMarkets to manage the day to day operations of the Ecosystem and facilitate trading of Shares in accordance with these Share Trading Rules.
- 2.3 PrimaryMarkets will email (or if Shareholders do not have an email address then correspondence will be delivered by mail) all Shareholders with a clear explanation of the Ecosystem and the process required to gain access to the Ecosystem and interact with it. Thereafter Primary Markets will also email (or mail) this summary to any Shareholder and to any Eligible Buyer upon request.
- 2.4 PrimaryMarkets will publish in the Ecosystem regular updates of trading in Shares (volume, class and price).

## 3. Registration of Sellers and Buyers

- 3.1 Sellers and Buyers must register to use the PrimaryMarkets Ecosystem and as part of registering they will be required to agree to be bound by the terms of use of the Ecosystem and by these Share Trading Rules.
- 3.2 A person (which term includes an individual and any other type of entity) will not be permitted to use the Ecosystem as a Buyer unless and until that person has qualified as an Eligible Buyer. To qualify as an Eligible Buyer a person must be a current Shareholder, or, if not a current Shareholder must satisfy the Company that it:
  - 3.2.1 is not a material competitor of the Company;
  - 3.2.2 values and supports the culture and vision of the Company;
  - 3.2.3 is an entity to which Shares can be transferred without disclosure under section 708 of the Corporations Act 2001 (Cth);
  - 3.2.4 agrees that as a shareholder in the Company, to be bound by the Company's constitution and policies; and
  - 3.2.5 agrees to comply with these Share Trading Rules.
- 3.3 A Seller may make an offer to sell some or all of their Shares (but never in excess of the Shares that they own) (**Offer Notice**) within the Ecosystem by clicking the "*Submit My Trade Notice*" link in the Ecosystem, which Offer Notice will need to include the following details:

- 3.3.1 the names and contact details of the Seller (which will not be disclosed to any party until a Matched Offer (as described in section 3.9 below) is reached);
  - 3.3.2 the number and class of Shares the Seller offers to sell; and
  - 3.3.3 the price per Share the Seller seeks for the sale of those Shares.
- 3.4 The submission of an Offer Notice is a binding offer by the Seller to sell up to the number of Shares in the class specified, at a price no less than the price per Share specified and constitutes an obligation on the Seller to sell all or part of the number Shares they have offered for sale if a Buyer meets the price that the Seller has requested, irrespective of whether one or more Buyers have agreed to buy all or part of the Shares offered for sale.
- 3.5 A Buyer may also create an offer to buy Shares (**Bid Notice**) within the Ecosystem by clicking the “*Submit My Trade Notice*” link in the Ecosystem, which Bid Notice will need to include the following details:
- 3.6.1 the names and contact details of the Buyer (which will not be disclosed to any party until a Matched Offer is reached);
  - 3.6.2 the number and class of Shares the Buyer offers to purchase; and
  - 3.6.3 the price per Share the Buyer is prepared to pay for the purchase of those Shares.
- 3.6 The submission of a Bid Notice is a binding offer by the Buyer to buy up to the number of Shares in the class specified, at a price no more than the price per Share specified and constitutes an obligation on the Buyer to buy part of the number of Shares they have offered to buy if a Seller meets the price the Buyer has offered, irrespective of whether one or more Sellers have agreed to sell all the Shares that the Buyer offered to buy).
- 3.7 PrimaryMarkets will review the validity of each Offer Notice and Bid Notice and will, subject to receiving confirmation from the Company that a prospective Buyer is an Eligible Buyer, list the relevant Offer Notice and Bid Notice on the Ecosystem by close of business on the day upon which it receives the confirmation from the Company.
- 3.8 It is a condition of submitting an Offer Notice or Bid Notice that the Seller (in respect of an Offer Notice) or Buyer (in respect of a Bid Notice) complete such industry standard anti-money laundering and identification check as PrimaryMarkets may require in relation to the provision of escrow account services (as all transaction payments through the Ecosystem are to be settled via PrimaryMarkets Escrow Services). By supplying such information each Seller and Buyer irrevocably authorises PrimaryMarkets to share that information with the Company.
- 3.9 PrimaryMarkets will assess and confirm through the Ecosystem when the trade volume and offered price set out in an Offer Notice or Bid Notice (as the case may be) match. Confirmation through the Ecosystem of such match (**Matched Offer**) gives rise to a final and legally binding contract for the sale by the Seller and purchase by the

Buyer of the relevant number of shares (free from encumbrance) at the offered price on the conditions set out in section 4 of these Share Trading Rules, but subject only to the prior approval of the Board to the transfer (which approval may be withheld by the Board in its absolute discretion).

- 3.10 PrimaryMarkets will seek the approval of the Board, or its authorised representative(s), to all Matched Offers and will notify the relevant Buyer and Seller of the Board's approval of the relevant transfer or otherwise. The Board or its representative(s) will either approve or reject a Matched Offer.
- 3.11 Matched Offers will be deemed to occur on a "*first come, first served*" basis as determined by PrimaryMarkets in consultation with the Company and will be reconciled by PrimaryMarkets and notified to the relevant Sellers and Buyers the day after a determination has been made.
- 3.12 Rather than accepting the terms of a Bid Notice on the Ecosystem, a prospective Seller may respond directly to PrimaryMarkets via email at [info@primarymarkets.com](mailto:info@primarymarkets.com) if they wish to attempt negotiations on the bid price set out in a Bid Notice. In this instance:
- 3.13.1 The Seller must then specify the quantity and class of Shares they wish to transact, and an alternate price at which they would be prepared to sell to the relevant Buyer; and
- 3.13.2 PrimaryMarkets will use its reasonable endeavours to facilitate an introduction between the relevant Buyer and Seller to enable them attempt to negotiate to achieve a Matched Offer.

#### 4. **Conditions on Share Purchase**
